

# From Mahiki With Love...

## ALOHA,

After 14 years of leading London's tiki scene it's been time for a shake up of our favourite tipples.

We've been lucky enough to secure the services of Chief Nazareth Rodriguez, our new Tiki Bar Commander to change direction to something ground breaking, yet again.

After a lifetime behind bars Nazareth brings a wealth of knowledge from all over the world, something which has allowed him to follow in the steps of the originator of Tiki, Donn Beach, to create something truly spectacular here at Mahiki.

We're confident this new cocktail menu signifies a new direction here in Mayfair, an experience for all the senses.
