# WELCOME TO THE BOOTLEGGERS

## THE BEST COCKTAILS, MUSIC & ATMOSPHERE

### 29,307 DAYS AFTER PROHIBITION ENDED...

...The Bootlegger opened its doors on Gloucester Road, Bristol in 2014.

Since then our family has carried on its journey, heading in both Western and Southern directions, opening our arms to all at the top of lovely

Womanby Street in Cardiff and on wonderful Fore Street in Exeter.

We encapsulate that same energy felt on the 5th December 1933, when Prohibition ended, here and now for your enjoyment with live music and in-house swing DJ's.

We play the best music, from the best times, with the best drinks, for

the best company and patriots of the Bootlegger bars.

Welcome to the Bootlegger:

The Place.

## PROHIBITION IS OVER...AGAIN! Let's keep it that way!

### COVID-19 UPDATE: WHAT WE ARE DOING FOR YOU (AND US).

We take the safety of our staff and customers very seriously. We have reopened with Government guidelines in place so please help us to maintain them for everyone's safety and comfort.

We are practicing social distancing and running table service only during these strange times. Our staff wash their hands regularly (as they always have), with hot water and soap, or use sanitiser.

Contact points, including door handles, taps etc, are being cleaned on a regular basis. Good hygiene and proper "cough etiquette" - coughing or sneezing into the elbow or tissue is practiced but good hygiene is (as always) key, so scrub your mitts between drinks! If you have any suggestions or concerns, please come talk to us!

Thank you.

PLEASE  
WASH  
YOUR  
HANDS!

& MAINTAIN THE  
SOCIAL DISTANCE  
GUIDELINES.
