PINK FLAMINGO

We're bringing a taste of Club Tropicana to Birmingham. If it's good enough for the 80s then it's good enough for us. This fruity little number is made with plenty of Havana Club 3 yr rum, Briottet Mandarin, grenadine, lime, pineapple & grapefruit bitters, complete with some genuine (they're not) flamingo feathers. we love this cheeky little fella - and we know you will too.

10.20

LET'S GET PISCO'D

We're embracing the Midori renaissance with the ultimate disco drink. Everyone's favourite neon green liqueur skilfully blended with Pisco, crème de pêche & fresh lime. You should be dancing, yeah.

NEW!

"ME OLD CHINA"

This cocktail originated in a smoke filled Chinese opium den. OK it didn't, but it does have poppy liqueur in it, a tenuous link but we're going to run with it. It features Beefeater gin, Briottet Poppy, Aperol & lemon shaken with whites to give you a smooth, delicious little hit.

9.10

NEW!

COSTA DEL SOLERO

The sun always shines on GSS. Absolut Mandarin vodka, passoa, lemon sherbet, mango juice & a cream float. It's like a Birmingham summer in a glass - it's wet and it won't last very long.

9.20

CHEEKY TIKI COLADA

It's more than a bit cheeky this one - Appleton Estate Signature Jamaican rum blended with coconut, pineapple & lime. Then a double shot Malibu miniature dumped in the top to make it really naughty.

10.30

THE UNICORNY

If you thought inflatable unicorns were just for kids, you were wrong. It's pink, blue & glittery - but definitely one for the grown-ups. Beefeater gin, blue curacao, lemon sherbet and a sour cherry drizzle. Corny? Yes. Delicious? Also yes.
